Playing together

Last week, 29th of August was our third session of Jindera Juniors.......we all had so much fun!

We started the day with some floor time. We talked about how to sit on the floor with our legs crossed and how important it is to use our listening skills at school.

We then read a story called “The very hungry caterpillar”. Most children could understand the life cycle of a butterfly. All the children loved the book and had lots to say about it.

It was then time to go outside to enjoy the beautiful sunny day. We had mini basketball hoops, foam play equipment and toys in the sandpit. We then split into two groups to play a game of duck, duck, goose. It’s so lovely to watch the children giggle as they run around the circle.

After our outside play, it was time to have morning tea. We all sat in a circle and ate together. It is so wonderful to see the new friendships developing.

We then moved inside for art, craft and free play. This week the activities included play dough, games, reading, threading and painting.
The paint table was the most popular activity this week, with many children doing splat butterflies. They looked fantastic and very colourful. There was also the craft table and the colouring table to keep the children busy. There were plenty of games including fish, snap, memory, dominoes and snakes and ladders. We all had such a fantastic day.

A big thank you to Sophie, Amy, Bailey and Jake. These year 5 helpers stayed with us all day and the 'big kids' made some new friends and had lots of fun too.

We hope that you have found the Jindera Juniors transition program an exciting and reassuring step in your child's school readiness journey.

It has been our pleasure to meet your child/ren and we would like to take this opportunity to say thank you.

Mrs. Kjrrilee Twyford, Ms. Tracey McLachlan, Mrs. Jen Howard
