Monday each week is Bakery Orders

We are now over half way through Term 4, with Christmas and holidays not too far away now.

Reports are being prepared, planning for 2015 is well underway and many are still recovering from the terrific P&C fete on Friday 31 October. It was a great afternoon, and with many people attending and helping to make it fun and a successful fund raiser. Thanks again to the fete coordinator, Linda Cheetham and her band of helpers, cooks, accountants and trouble shooters. It was a huge effort from a small but dedicated and well coordinated team.

We have a number of craft items and show bags left over from the fete. These will be available for purchase on Friday 28 November at a Christmas stall and barbecue. The SRC will also host a Christmas disco for the students. Students can bring money along on the day and purchase some great gifts for Christmas from the leftover items. Please be aware that items will be sold on a first in basis. Further details of the disco and barbecue will be sent home next week.

Daniel Hoelscher was presented with a diamond award at this week’s assembly. This is the highest achievement a student can make in their time at Jindera PS and means that they have earned many merit awards (40), silver (4) and gold (2) awards previously. A fine effort, Daniel, especially as previously. A fine effort, Daniel, especially as Daniel joined us at JPS when he was in Year 2. Corey Groch received a silver award as this week’s assembly. Well done boys.

The following students received star awards: Lily Gueho (K), Tahlia Steinke, Sienna Finemore and Alannah Barnes (Yr 1), Chilli Bergic and Gemma Keating (Yr 2), Jayden Dawson and Alistair Brooksby (Yr 4).

K-2 excursion to Beechworth –
Thursday 20 November

Notes were sent home last week regarding the K-2 Beechworth excursion on Thursday 20th November. Teachers and students will be travelling by bus to Beechworth where they will participate in one of the following activities. Students in Kindergarten will be visiting the bakery where they will see the process of baking bread and create their own loaf. Students in Year 1 will visit the sweet shop and hopefully create their own delight. The Year 2 students will experience the process of harvesting and packaging honey at the Beechworth honey shop. Notes and $18.00 need to be returned to school by Monday 17 November 2014.

Intensive swimming
An expression of interest note was sent home last week for an intensive swimming program for children who are not yet confident in deep water. The program has proven very successful in the past with children from Year 2 to Year 6 offered positions. Local Auswim trained instructors will help run the program at Jindera Pool in the last few weeks of this term. If you would like your child to be involved, please ensure that the expression of interest note is returned as soon as possible. Further details and a permission note will be sent home shortly.

 Helpers Morning Tea –
Thursday 11 December

Invitations are being prepared for the helpers morning tea on Thursday 11 December.

Our school is constantly enriched by the volunteers who give up their time to join us for activities and initiatives and we would like to say a big thank you. Invitations will be sent home in the coming weeks and we hope that you can join us from 11:30.
Street swags
Di Mant from Albury Care Van attended our assembly today to take receipt of the street swags. These will be distributed, as required, to the homeless living on the streets of Albury. A huge thank you to all the students, staff and community for their participation in the activities earlier in the year. Your efforts will help those in need.

Proud and Deadly awards
Tomorrow, I will accompanied three of our Year 6 students to the annual Proud and Deadly awards at Albury High School. These awards recognise the achievements of many of our Indigenous students in areas such as academic, culture and citizenship. Well done to our award recipients, Jaya Cheetham, Tiara Willis and Tayah Quayle.

NAIDOC celebrations – Thursday 27 November
Planning is currently underway for NAIDOC celebrations later this term. We look forward to an exciting day full of cultural activities and learning. A parent/community meeting was held on Monday 10 November, led by Mrs Berndt. Further details about our NAIDOC day will be sent home next week. We hope that you can join us again.

Application for Year 7 selective high school placement in 2016 Government Schools
Parents of Year 5 students interested in applying for entry into a selective high school are encouraged to contact the school as soon as possible to discuss the application process. Selective high schools cater for highly achieving academically gifted students who may otherwise be without classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level. The application process is online and closes on 17 November.

Kindergarten 2015 orientation
Kindergarten 2015 Kinder orientation concludes this Friday, 14 November. The children will be presented with their graduation certificates. We will welcome Kindergarten 2015 to big school on Monday 2 February. All children and their families will receive a letter informing them of their specific starting time.

School Student Leaders
Voting for our School Student Leaders began this week with all interested Year 5 students preparing and presenting their election speeches. This process will continue until Week 8 when elections will take place. The first four students, in order of election, will be announced as School Student Leaders for 2015 at the Presentation evening on Tuesday 9 December.

Students interested in being elected as sports captains will also prepare and present their speeches, with winners being announced at presentation evening.

Swimming sport
The swimming sport program for Years 3-6 children and any capable swimmers in Year 2, who will turn 8 this year will be conducted again this term. The two swimming sessions will be:
- non swimmers and those children wishing to do water aerobics.
- confident swimmers who will be involved in squad training or stroke correction where we will concentrate on developing fitness and stroke correction.

Swimming sport sessions will be held on Fridays 21/11, 5/12 and 12/12/2014.

The children will need to bring $2 entry money to pay to the pool each week (unless they have a season ticket). The children will also need to bring swimmers, rash top, towel, hat, water bottle and sun screen. It is also advisable for those children doing squad to wear goggles. Notes should be returned to school by Friday 14 November so that groups and arrangements can be finalised. We would also welcome any parents who would like to come along and support the programs.

Lianne Singleton
Principal
13 November 2014

Nitbuster Day—Wednesday 19th November 2014

Students in Years K to 3 will be having their hair checked for Headlice next Wednesday. A note with more information will be sent home tomorrow.

3/4S - Ben Christensen, Lily Delahunty, Georgia Frued, Lauren Nixon and Grace Fitzpatrick.
5/6B - Skye Lezius, Angus Onley, Liam Goss, Chelsea Hansen, Josie Atkins and Harry Lukins.
5/6H - Jemma Harrison, Blair Heather, Mattew Keating, Daniel Hoelscher, Seth Ross and Taylah Butler

Jindera Public School Facebook Page
Jindera Public School now has a presence on Facebook. The page has been created to convey information to parents and community members and has already proven very popular with many parents. To access the page, search for Jindera Public School in Facebook and look for the school logo. Information such as current events, excursion information and student achievements will be regularly updated. The page will not replace our existing correspondence to parents via notes and newsletters but acts as an additional means for the school to keep parents up to date with happenings whilst tapping into the widely used social media.

Return of Library Books
As stocktake of the school library will begin in a few weeks students are reminded to return library books to the library. All books that are returned are to be placed in the return trolley. The class that is the first to return all their books will receive a class reward for their effort in keeping our library well stocked.
