The school held an ice-cream stall at the Jindera markets on 8. Despite the very hot day, sales were not as big as we expected. A huge thanks to Mrs Linda Cheetham (and Mr Cheetham) and Amy Jones (School leader) for holding the stall on the school’s behalf.

**Last Friday Jindera Public School had our 2015 school swimming carnival.**

Through the day every kid tried their hardest even in the new events, the life saver and the boogie board event.

This carnival was Mrs K’s first time running a school carnival and we would like to thank her for doing it, she did a great job.

We would also like to thank all the kids for cheering on their friends and team mates as well as the parents who helped on the day.

Overall Kangers won and the carnival was a great success.

Jindera Public School is committed to educating, encouraging and modelling a healthy, active lifestyle. To kick off our Live Life Well @ School (LLW@S) initiative all children are encouraged to create a face from fruit and vegetables. All participants will earn a star award and the class who has 100% of entries will be awarded with a special afternoon involved in fun activities.

On Thursday 5th March we will be launching our initiative with a fun filled day as well as announcing the winners of the fruit and veg face competition. More details will follow closer to the event.

Why eat fruit and veg every day?
Fruits and vegetables are high in vitamins, minerals and dietary fibre, as well as being rich in antioxidants. Research shows that people who eat adequate amounts of fruits and vegetables everyday can help prevent:

- coronary heart disease
- some forms of cancer
- overweight and obesity
- constipation
- high blood pressure and blood cholesterol levels
- help improve control of diabetes.

We should aim to eat fruit and vegetables everyday - the greater the variety, the better health benefits. “Eat a rainbow”.

---

**Marking Criteria**
- 3 points for each different type of vegetable
- 1 point for each different piece of fruit
- 5 points for creativity

---

**Prizes for:**
- the winning face from each class,
- the first class where all the students bring in a photo of their veg head,
- the overall best face.
