Dear Parents/Caregivers

A two night excursion has been organised for students in Year 4 to Echuca, Victoria on 6, 7 and 8 June 2016.

As we have larger numbers of students in the Years 3 – 6 grades, we have coordinated an excursion to support the study of Australian history and student wellbeing/collaborative learning for Year 4 students.

The students will be transported by bus from school on Monday 6 June, to Echuca where they will be involved in activities relating to Australian history, hands-on Science activities and team building activities until midday on Wednesday when all students will return to school.

The cost of the excursion will be approximately $280.00 per student and will include travel, meals, accommodation and activities in the program. Parents / carers will be able to make regular payments throughout the year to cover the cost of the excursion if this will assist. This major excursion is being heavily subsidised by the school but final costings will not be known until final student numbers are known, well before the commencement of the excursion.

Supervision will be provided by Ms Singleton, Mrs Klironomakis, School Learning Support Officers, and selected parents throughout the duration of the excursion. Accommodation is provided in single sex rooms, at Billabong Ranch, supervised closely by teachers and parents.

Please see the draft itinerary, attached. A medical note and permission note, along with further details of what to take will be sent home shortly.

If you would like to discuss any aspects of the excursion in more detail, or have any further questions please contact the school on 6026 3280. If you would like your Year 4 student to attend the 2016 excursion to Echuca, please complete the expression of interest form below and return with a $50.00 deposit by Friday 11 March 2016. All parents will be issued with a payment plan that may assist with organising and completing payments for the excursion.
